

India's No.1 Industrial LED Magnifying Lamps

We are happy to introduce to you the Optikē brand Industrial LED Magnifier. This magnifier is used in many industries, including manufacturing, aerospace, and others, and is ideal for visual and part inspection. We have both desktop and table magnifiers. These both models have a slim, fashionable lens and articulating arms. We provide 4X and 5" Ø lenses, as well as optional 10X/30mm Ø bifocal lenses with a 4-level or dimmer function and bright LED light. This model features balanced enclosed spring metal arms, professional-grade articulated arms, a long reach, and a slim and fashionable lens. Assist various types of stands.

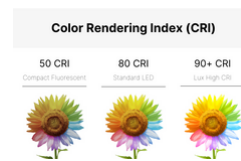

Reliable with robust materials & stable design

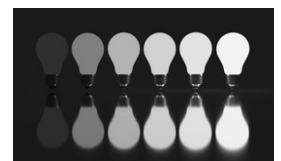

Edge-to-Edge clarity with minimal image warping

High Quality Optical Grade Lens

High Color Rendering Index

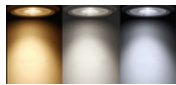

Dimming Function for all working conditions

1. Industrial Magnifying Lamp - KML9006

- **Model - KML9006**
- Lens Size - Ø 5" (127mm)
- Magnification - Standard 4X (Optional 10X/30mm bifocal)
- Voltage - AC 100V-240V
- Power - 14W / Luminous - 1200 lm
- Light Source - 60Pcs SMD LED
- CCT Warmlight, Daylight, Whitelight. 3500k-4500K-6500K
- Material - High Quality Optical Grade Lens
- Dimming LED

Color Temperature Control

2. Industrial Magnifying Lamp - KML9006B

- **Model - KML9006B**
- Lens Size - Ø5" (127mm)
- Magnification - Standard 4X (Optional 10X/30mm bifocal)
- Voltage - AC 100V-240V
- Power - 14W / Luminous - 1200 lm
- Light Source - 60Pcs SMD LED
- CCT Warmlight, Daylight, Whitelight. 3500k-4500K-6500K
- Material - High Quality Optical Grade Lens
- Dimming LED

Color Temperature Control

3. Industrial Magnifying Lamp - KML9008

- **Model - KML9008**
- Lens Size - Ø5" (127mm)
- Magnification - Standard 4X (Optional 10X/30mm bifocal)
- Voltage - AC 100V-240V
- Power - 14W / Luminous - 1200 lm
- Light Source - 60Pcs SMD LED
- Color Temperature - 6500K
- Material - High Quality Optical Grade Lens
- 4 Steps Dimming LED - (100, 75, 50, 25, 0)

4. Industrial Magnifying Lamp - KML9008L

- **Model - KML9008L**
- Lens Size - Ø7.5" x 6.2" (Big Lens)
- Magnification - Standard 4X (Optional 10X/30mm bifocal)
- Voltage - AC 100V-240V
- Power - 16W / Luminous - 1500 lm
- Light Source - 60Pcs SMD LED
- Color Temperature - 6500K
- Material - High Quality Optical Grade Lens
- 4 Steps Dimming LED - (100, 75, 50, 25, 0)

5. Industrial ESD+UV Magnifying Lamp - KML9006UV

- **Model - KML9006UV**
- Lens Size - Ø5" (127mm)
- Magnification - Standard 4X (Optional 10X/30mm bifocal)
- Voltage - AC 100V-240V
- Power - 14W / Luminous - 1200 lm
- Light Source - 60Pcs SMD LED
- Light Type - UV / Wavelength-405nm
- Material - High Quality Optical Grade Lens
- Lamp Type - ESD Safe

- **Model - KML9006ESD**
- Lens Size - Ø5" (127mm)
- Magnification - Standard 4X
(Optional 10X/30mm bifocal)
- Voltage - AC 100V-240V
- Power - 14W / Luminous- 1200lm
- Light Source - 60Pcs SMD LED
- 4 Steps Dimming LED - (100, 75, 50, 25, 0)
- Material - High Quality Optical Grade Lens
- Lamp type - ESD Safe

6. Industrial ESD Magnifying Lamp KML9006ESD

7. Desktop Magnifying Lamp - KDM9101BO

- **Model - KDM9101BO**
- Lens Size - Ø5" (127mm)
- Magnification - Standard 4X
(Optional 10X/30mm bifocal)
- Voltage - AC 100V-240V
- Power - 14W / Luminous - 1200 lm
- Light Source - 60Pcs SMD LED
- Color Temperature - 6500K
- Material -High Quality Optical Grade Lens
- 4 Steps Dimming LED - (100, 75, 50, 25, 0)

8. Desktop Magnifying Lamp 14W - KDM9101BP

- **Model - KDM9101BP**
- Lens Size - Ø5" (127mm)
- Magnification - Standard 4X (Optional 10X/30mm bifocal)
- Voltage - AC 100V-240V
- Power - 14W / Luminous - 1200 lm
- Light Source - 60Pcs SMD LED
- Color Temperature - 6500K
- Material - High Quality Optical Grade Lens
- 4 Steps dimming LED - (100, 75, 50, 25, 0)

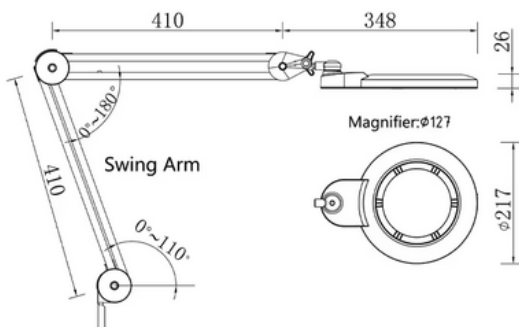

9. Desktop Magnifying Lamp 7W - KDM9100

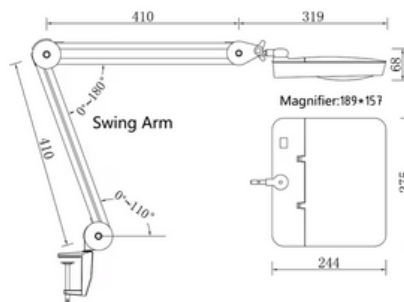

- **Model - KDM9100**
- Lens Size - Ø3.5" (90mm)
- Magnification - Standard 4X
- Voltage - AC 100V-240V
- Power - 7W / Luminous - 600 lm
- Light Source - 30Pcs SMD LED
- Color Temperature - 6500K
- Material - High Quality Optical Grade Lens

Dimension of Magnifiers

KML9006 Series

KML9008L Series

KDM9101B Series

Optional Accessories

Table Clamp
Standard

Wall Bracket

Desktop Bracket

Desktop Heavy
Base Stand

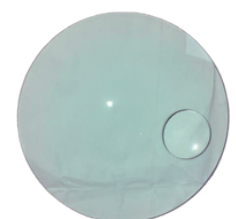

Floor Stand with
5 Legs with Wheels

Desktop Heavy Base Stand

Heavy Duty Table Clamp

10X Optional
Bifocal Lens

Indian's No.1 Industrial LED Working Lamps

Industrial LED working lamps are purpose-built lighting solutions designed to meet the demanding needs of various industrial environments, including manufacturing plants, workshops and laboratories. **Features of Industrial LED Working Lamps.** * High Luminous Output* *Energy Efficiency and Longevity* *Robust Construction* *Adjustable and Flexible Design* *Color Temperature and Dimming Options*.

Applications

- *Manufacturing & Assembly Lines: Provides clear illumination for precision tasks.*
- *Laboratories & Research Facilities: Ensures accurate lighting for experiments & inspections.*
- *Workshops & Tool Rooms: Offers bright, focused light for detailed work.*
- *Construction & Maintenance Sites: Delivers durable lighting solutions for outdoor and temporary setups.*

Desktop Working Lamp 7W - KDW9102

- **Model - KDW9102**
- Voltage - AC 100-7v
- Power - **7W** / Luminous - 600lm
- Light Source - 162 pcs LED
- Color Temperature- 6500K

Industrial Working Lamp 24W - KWL9501B

- **Model - KWL9501B**
- Voltage - AC 100-240v
- Power - 24W / Luminous - 2200lm
- Light Source - 117Pcs LED
- Color Temperature - 6500K
- 4 Steps Dimming LED - (100, 75, 50, 25, 0)

Industrial Working Lamp 30W - KWL9505B

Dimming Control

- **Model - KWL9505B**
- Voltage - AC 100-240v
- Power - 30W / Luminous - 2300lm
- Light Source - 162 pcs LED
- Color Temperature - 6500K
- 4 Steps Dimming LED - (100, 75, 50, 25, 0)

Industrial Working Lamp 30W - KWL9509C

- **Model - KWL9509C**
- Voltage - AC 100-240v
- Power - 30W / Luminous - 3000lm
- Light Source - 324 pcs LED
- Color Temperature-
3500K~3900K~4750K~5600K~6500K
- 5 Steps Dimming LED
- **Color Temperature Control**

Dimming Control

COLOR TEMPERATURE

Industrial Working Lamp 45W - KWL9507C

Dimming Control

COLOR TEMPERATURE

- **Model - KWL9507C**
- Voltage - AC 100-240v
- Power - 45W / Luminous - 3500lm
- Light Source - 540pcs LED
- Color Temperature - 5600K ~ 6500K
- 5 Steps Dimming LED
- **Color Temperature Control**

Existing Users of Optike Industrial Magnifying Lamps & Working Lamps :
1000+ Satisfied Customers and 10,000+ Existing Users till date Across India Across Various Industries.
